Nature Club

Karen Meyer, president; Penny Null, secretary; Judy McFadden, treasurer; Rita Harman, vice-president

The Nature Club was formed at the beginning of this year. Mrs. Leonora Simon Bleke is the sponsor. The members of the club have attended several Audubon Screen Tours and one after-school meeting when Mr. Gerald Johnson gave a movie and lecture on "Creatures of the Underworld." The first semester activity was a roller skating party. For their second activity, they had an all-day field trip to Pokagon State Park. A point system has been set up whereby 225 points are required to earn an E.

Phi-Chem Club

Kenneth Armitage, vice-president; Amy Lou Buskirk, secretary-treasurer; Dave Stevenson, president

Magicians, wizards, and fire-makers at Elmhurst band together to form the Phi-Chem Club. The purpose of the club is to promote interest in science and industry. Two major trips were taken to Earlham College and Purdue University. David Stevenson presided at the Indiana Junior Academy of Science at Earlham. Miss Ruth Wimmer and Mr. Floyd Middleton provide a steadying hand for the exhibits and projects. The club sponsored a presentation of the House of Magic before the student body in March.

The Projectionists Club carries on the audio-visual education here at E. H. S. Mr. Floyd Middleton is in charge of this club, which has eighteen members. This year the members installed a permanent movie screen in each room in the school. These new screens have made it easier for the projectionist to show the movie or slides, and it has also made it easier for the pupils to watch. The equipment of the Projectionists Club consists mainly of two movie projectors, two slide projectors, and two film strip projectors.

The dramatics class, under the leadership of Mr. Arthur Gerwig, offers students a specific phase of speech training and helps them gain appreciation of drama. It furnishes young would-be actresses and actors with a chance to obtain fundamental experience on the stage.

This year's productions included the traditional Christmas program, presented in co-operation with the band and choir. Later the one-act comedies, "Wilbur's Honey Bea" and "Wilbur Faces Life" were enjoyed by the student body. The long play was *The Night of January Sixteenth* in three acts.

Both the Speakers' Stand and the National Forensic League serve to develop an interest in speech activities and to improve speech habits. The barkers of E. H. S. enter speech contests, participate in Junior Town Meetings, and publicize all school events over the P.A. system. Through these speech activities, the members earn points for N.F.L. degrees, N.F.L. pins, and speech letters. An activity of the Speakers' Stand was a combined party with the New Haven Speech Club. Mr. Arthur Gerwig is the sponsor.

Home Ec Club

During the convention of the Northeastern Indiana Teachers' Association, the club sponsored a dance day and invited girls from surrounding schools. Fall softball was exchanged for baseball, and the 1953 Elmhurst nine found the change very profitable. The Trojans won the first Allen County baseball championship by a 7-1 margin against the Hoagland Wildcats. It is interesting to note that the team didn't play any season games and entered tournament competition without previous experience. They defeated Leo 4-3, Huntertown 9-6, and Harlan 17-2. Another interesting sidelight was that Jim Lowe pitched all four games, accumulating 45 strikeouts, an average of 1.7 per inning, and an earned run average of 1.9 per game. Individual batting averages: Stauffer, .588; Moore, .500; Wilson, .461; Haynes, .467; Schey, .428; Sims, .250; R. Blume, .231; Lowe, .154; Lee, .125; J. Morton, .000; Hill, .000; Miller, .000.

In Memoriam

GLENN W. HAMMER
1908-1954

No man can build a lasting monument for another. For words, even though they are imprinted upon stone, will soon turn to dust.

The only memorial that is immortal is the one that we, the living, imprint upon the minds of men as we live with them day by day.

Such a memorial will live with us who have had the opportunity to know Glenn Hammer. For each of us has learned a little better, the meaning of human kindness and devotion to the profession of teaching through his example.
